

## PORT OF ALSEA MEMORIAL BENCH APPLICATION

NAME: Eleanor (Ellie) Donovan  
Address: 872 Cloverdale Rd Kalama WA 98625  
Telephone: 360 673 7721 E-mail: freebirds125@scattercreek.com

The memorial benches must be for deceased individuals. There can be two plaques on a memorial bench.

Name of person(s) on the plaque: In Loving Memory  
B.J. Donovan 1970-2017

Any additional wording on the plaque: "Gone Fishing"

The applicant must submit a picture or accurate drawing of the proposed memorial bench, describing the durable materials to be used, as well as an accurate description of the manner in which the bench would be secured to the ground.

Applications should be submitted to the Port of Alsea office, where it will be reviewed for completeness by the Port manager. The bench must be durable, attractive, easily maintained. The decision to approve the application will be made by the Board of Commissioners at their next scheduled meeting. The Board may choose to postpone the decision if it feels that it needs additional information from the applicant.

The Port has identified locations on Port property that are suitable for memorial benches. If the application is approved, the applicant will select one of the identified locations for the memorial bench. Prior to installation, the applicant must sign a contract at the Port office agreeing to maintain the memorial bench, formally donating the bench to the Port of Alsea, as well as other considerations. Applicant will be provided with a copy of the contract at the time the application is submitted to the Port manager.

Applicant

Date Feb 2, 2018

## CONTRACT BETWEEN THE PORT OF ALSEA AND APPLICANT FOR THE INSTALLATION OF A MEMORIAL BENCH

The Applicant, Eleanor Donovan, and the Port of Alsea hereby enter into an agreement for the installation of a memorial bench by the Applicant on the Port of Alsea Property.

The Applicant will install the bench at a site approved by the Port's Board of Commissioners. The Applicant shall install a small plaque on the bench commemorating the person or persons to whom the bench is dedicated, as well as any additional wording included on the application previously submitted. The Board of Commissioners has approved the design and durability of the memorial bench and the bench installed shall be consistent with that approval.

The Applicant is responsible with all costs associated with the bench donation, including site preparation and installation. With this contract, the Applicant is transferring ownership of the bench to the Port of Alsea upon the installation of the bench on Port of Alsea property.

The Applicant shall perform all normal maintenance of the bench during its useful life. If removal of the bench is required, due to deterioration or severe vandalism, the Port is not responsible for the replacement of the bench. The Port will attempt to make contact with the Applicant to provide him / her with the opportunity to restore or replace the bench. If the applicant chooses not to restore or replace the bench, the original bench and plaque will be disposed of thirty (30) days after the removal by the Port. If the Applicant would like to replace an existing bench because of deterioration or damage, the Applicant must submit a new application and follow the same procedures for approval by the Board of Commissioners.

The Port reserves the right to remove and / or relocate the bench when it interferes with site safety, maintenance, construction activities, or a change in usage of the land. The Port will attempt to inform the Applicant of any action related to the disposition of the bench. In the event of safety issues or emergency, the notification may be made after the action is taken. If a bench must be permanently removed, the Port will seek an alternative location consistent with Port policy. If no such agreed upon location can be found, the bench and plaque will be returned to the Applicant.

DATED this 2 day of February, 2018.
